# Bose is recalling S1 Pro speaker battery packs over a fire risk

Published 7 November 2026. Read the full story, sources and any updates at digitaladvisors.com.au/journal/bose-s1-pro-battery-pack-recall/

- [ ] **Find every S1 Pro and S1 Pro+ battery pack you own.** Include spare packs and any speakers kept at a school, club, venue or hire business.
- [ ] **Check the battery pack's own serial number.** Remove the pack from the bottom of the speaker and read the 17-digit number under the barcode, not the speaker's serial number.
- [ ] **Compare the first six digits.** Packs starting with 083723, 078352, 084105, 078591, 078592, 084106 or 086409 are recalled.
- [ ] **Stop using an affected pack and leave it out.** The S1 speaker keeps working on mains power without the battery.
- [ ] **Request a free replacement from Bose.** Use the Contact us page linked from bose.com.au/support/s1-battery-recall, with the pack's 17-digit serial number ready.
- [ ] **Keep the old pack out of the bin and recycling.** Dispose of it under your local rules for recalled lithium-ion batteries.
