- ☐ **Look for the robot option at checkout.** If you're in the Gold Coast Health and Knowledge Precinct, DoorDash shows it only when a robot and a nearby participating restaurant are both available.
 - ☐ **Keep your phone close when you choose a robot.** You'll get an arrival notification and a unique code that opens the robot's compartment.
 - ☐ **Choose a human driver if you'd rather.** You can opt in or out of robot delivery, and Dashers still cover longer trips.
 - ☐ **Call the number on the robot if you have a question or concern.** Every Serve robot displays a contact number for the public.
