- ☐ **Identify the account used for each recurring Gemini task.** Have the office manager record whether it is personal or managed through Workspace before deciding on a subscription.
 - ☐ **Check the AI Plus timing email.** Have the subscription holder record Google's effective date for that account before changing the work plan.
 - ☐ **Run one approved test task in the available model.** Have its usual reviewer record errors and rewriting time before the owner approves more spending.
 - ☐ **Review the proposed plan's price in Google One.** Have the subscription holder confirm the Australian-dollar charge and payment details before completing any upgrade.
