- [ ] **Install version 2.13, then keep updating.** It reaches every Quest 2 and Quest Pro by March 2027 as the last feature update, and security fixes follow until the end of 2027.
- [ ] **Watch for notices from your game developers.** Meta requires at least 180 days' notice before a developer ends support in a way that cuts off content or essential services.
- [ ] **Think twice about a second-hand Quest 2.** Buy one to try VR, not as a headset you plan to use for years.
- [ ] **Plan replacements for work headsets.** If your school, clinic or business uses Quest 2 or Quest Pro headsets, budget to replace them before security fixes end in late 2027.
