

CHECKLIST · AI AT WORK

MYOB's AI gets a name, Iris: what it can do in your books

Published 23 October 2026. Read the full story, sources and any updates at digitaladvisors.com.au/journal/myob-iris-ai-what-it-does/

-
- ☐ **Check you're on Lite, Pro or AccountRight browser.** Ask Iris isn't offered in other MYOB products.
 - ☐ **Try a question in Ask Iris.** Ask about cash flow, profit or unpaid invoices; MYOB says it can't change your file.
 - ☐ **Check each AI BAS suggestion before approving it.** Your books only change when you or your adviser approve, and you or your BAS agent still lodge the BAS.
 - ☐ **Work out the cost after year one.** AI BAS moves to \$25 to \$75 a month, depending on transactions and whether you employ staff, and Lite and Pro go back to \$35 and \$70.
 - ☐ **Check user roles for AI Business Insights.** Only administrator, accountant and bookkeeper roles can see it.
 - ☐ **Don't assume every AI feature has the same privacy promise.** MYOB's no-training, processed-in-Australia statement is written for Ask Iris.
