-
- ☐ **Check coverage.** Have the owner compare the business with the OAIC's small-business exemption and exceptions.
 - ☐ **Map significant decisions.** Ask the service manager which software uses personal information to make or materially support decisions about people.
 - ☐ **Question the supplier.** Request feature-specific information about data categories, outputs and human review for the processes being assessed.
 - ☐ **Prepare the policy update.** Have the privacy lead assess those processes against the OAIC guidance and complete required disclosures before 10 December 2026.
