- ☐ **List the devices and apps.** Have the purchasing manager record each smart-glasses model, manufacturer and required companion app.
 - ☐ **Identify the app operator.** Ask the supplier who operates each app and obtain its current privacy policy.
 - ☐ **Request data-handling details.** Ask the supplier what the app collects, where information is stored and who can access it; record unanswered questions.
 - ☐ **Request a security contact.** Ask who provides updates and how your shop will hear about security problems; for HeyCyan stock, request a response to the OAIC announcement.
 - ☐ **Record the stocking decision.** Have the owner review supplier answers and unresolved questions before deciding what the shop will offer.
