-
- ☐ **Check the till.** Confirm the location has POS Pro and runs Shopify POS 11.16 or later.
 - ☐ **Separate counting from approval.** Have the owner check staff inventory permissions before scheduling a small trial count.
 - ☐ **Review delivery access.** Check the configured zones, rates and updated creation and fulfilment permissions with the shop manager.
 - ☐ **Confirm the subscription term.** Before adding Pro, obtain the Australian price and billing commitment for each location alongside the base plan.
