- [ ] **Check which iCloud+ plan you pay for.** The 50GB plan gets the same standard limit as the free plan; extra access starts at 200GB.
- [ ] **Don't upgrade yet.** Wait until iOS 27.3 is out and you've hit the standard limit before paying more just for Siri AI.
- [ ] **Look at your Family Sharing group.** The extra iCloud+ allowance is shared, first come, first served, with everyone in the group.
- [ ] **Know what still works.** At the limit, everyday Siri requests such as timers and simple texts keep working; advanced requests return after the reset around midnight.
- [ ] **Check business apps that use Apple's AI.** If your team relies on Shortcuts or apps using Apple's server models, those count towards each device's daily limit.
